Notification of AGM

Chinnor Allotment and Garden Association (CAGA) AGM 7pm Wednesday 4th November 2026

Dear Plot holder

Notice is hereby given that the Annual General Meeting of the Chinnor Allotment and Garden Association will be held on Wednesday 4th November 2026 at 7pm at the Methodist Church, Station Road Chinnor. Please note it is Wednesday this year to avoid clashing with any 5th November events.

The paperwork is included with this notification. This year, in accordance with the Change made in the constitution last year, information is being sent by email and WhatsApp. All information will be on the Website. A hard copy will be delivered to those plot holders without email.

It is essential that more plot holders join the Committee for the Organisation to continue. A Committee of three is not representative of plot holders and there is too much work for the three of us. We are very grateful to those of you who volunteer but, ideally, we need SEVEN more Committee Members.

Any member wishing to stand for election to the Committee should complete a Nomination Form, attached. A copy of which may be obtained from any member of the Committee or by email secretary@caga.org.uk As set out in the Constitution, each form must be signed by a Proposer and by a Seconder as well as the Candidate, all of whom should be paid up members at the time of the Annual General Meeting. Those standing as an officer should indicate which post they are standing for. We will accept nominations for the committee from the floor at the AGM If you would like to help the committee in any other capacity, please fill in the volunteer form.

The completed nomination form, plus matters for AOB should be sent to the Secretary, Margaret Lambert by email secretary@caga.org.uk or The CAGA post box on the entrance by the Growing hub by 19th October.

We look forward to seeing you all at the AGM. The Committee can only continue to manage the site if voted in by a quorum of members. So please make every effort to attend.

Margaret Lambert,
Secretary
